

Thank you for choosing Comber Physical Therapy & Fusion Chiropractic. We are committed to providing you with exceptional care, as well as making our insurance billing processes as simple and efficient as possible. With the changing environment in healthcare, more responsibility of payment is being placed on the patient in the form of copays and deductibles. Thus, it has become necessary to ensure we have a guarantee of payment on file in our office.

Effective January 1, 2022, we will require all patients keep an active credit card on file with us. We will bill your insurance company first and upon their determination of benefits, we will only charge your credit card when they inform us of patient responsibility. Circumstances when your card would be charged include but are not limited to:

- missed or canceled appointments without 24-hour notice
- missed co-payments, deductible and co-insurance
- any non-covered services and/or denial of services allocated to patient responsibility
- any amount not paid by your insurance 60 days after a corrected claim has been filed

This in no way will compromise your ability to dispute a charge or question your insurance company's determination of payment. If you have any questions about this payment method, do not hesitate to ask. Our billing office phone number is 757-345-6322.
